HISTORY OF ROSE'S

Rose's, established in 1901 by James Rose, was born amid the splendor of Ramona Park. The beaches of Reeds Lake were dotted with beautiful, ornate pavilions, roller coasters, hotels, docks for excursion boats, and Rose's Beach and Swimming School. After Ramona Park closed in 1960, James' son, John "Bub" Rose, kept one small building open as a marina and restaurant noted for its hamburgers and popcorn. When "Bub" retired, he sold the restaurant to the Gilmore family. We hope to keep the memories and character of this cherished landmark alive by offering our guests great enthusiasm, hospitality and cuisine.
